

Driving on Campus Contract 2020/21

We take driving safety very seriously at Easton. Our campuses are very busy and roads are used by agricultural vehicles, buses and pedestrians. When driving onsite the following rules apply:

- 1) We ask that all traffic travelling to Easton College from the A47 uses the private road past the Family Golf Centre, this avoids the small local roads in respect to our neighbouring community.
- 2) All hard surfaces on the College campus are footpaths. Pedestrians have priority EVERYWHERE on the campus.
- 3) Be aware of other road users and take particular care around horses and farm animals
- 4) There is a MAXIMUM speed limit of 10 mph across the campus.
- 5) The campus is covered by CCTV and automatic number plate recognition
- 6) Your vehicle parking permit must be on display at all times.
- 7) Drivers must respect areas marked as 'DISABLED', 'KEEP CLEAR' or 'STAFF ONLY'
- 8) Behaviour around parked vehicles is the responsibility of the driver. Litter dropped around parked cars and loud playing of music and causing general disturbance to others is not acceptable.
- 9) Easton College is a working farm and equestrian centre, drivers are to be sensitive to large animals and horses on campus, large animals are unpredictable and susceptible to loud and unexpected noises.
- 10) The Bacon Centre car park is a particularly sensitive area. The adjoining equestrian area, both the visible outdoor and the covered indoor areas, are used for teaching horse riding. The safety of students in this area is put at risk by irresponsible driving and behaviour in this area and this will not be tolerated

I acknowledge receipt of this contract and agree to adhere to the conditions. I also accept that the privilege of bringing my vehicle will be suspended or withdrawn if I fail to abide by the above conditions, and that I may face disciplinary action.
